

Click here to key in speech. This 4" x 6" note card is set up as follows. Delete pictures After view how page is set up. (Layout Tab → Page Set Up Tab – See below)

Feel free to change margins or increase font size. Use a hole punch to make a hole in upper left side of cards to place a metal ring in to hold cards so you can flip while reading.

Place 4" X 6" cards in pull down tray on printer to print. Plain cards without lines work best. Cards available at dollar stores or cut from cardstock.
