

South Dakota FCCLA Advisers,

For the past few years we have done an ice cream social to reward the chapters in our state for increasing their membership. It has come to our attention that the membership increase reward is unfair for the smaller schools here in South Dakota. We have decided to change the qualifications for the social event that is held at the state meeting.

The chapter must meet either one of the following qualifications to attend the event:

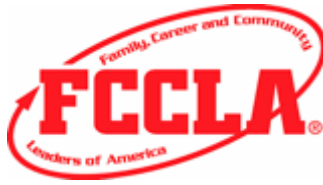

- The chapter must increase the number of affiliated members by 5 from the previous school year.
- Or, the chapter must have at least 50% of the schools eligible students to be an affiliated member of the chapter.

With this change made, it will be something that all chapters can accomplish no matter the size of their school. Also, in this document, there is the application that must be submitted to both Mrs. Brockhoft and I, Mariah Stensgaard, postmarked by the first of March. I challenge all of you to try and make this happen in your chapters to help spread the leadership possibilities FCCLA has to offer with the students around you. I strongly believe that this will be a great year for South Dakota FCCLA.

Thank you,

Mariah Stensgaard
SD FCCLA VP of Membership

South Dakota FCCLA Membership Increase Application

Due March 1st to Mariah Stensgaard and Mrs. Kris Brockhoft:

18MGStensgaard@harrisburg.k12.sd.us

or mailed to 1300 W Willow St. 57032 Harrisburg, South Dakota 57032

and

kris.brockhoft@sdstate.edu

or mailed to Box 507, Wenona 103, SDSU Brookings, SD 57007

Please contact Mariah Stensgaard with any questions you may have about the application process at the email posted above.

Chapter Name: _____

Advisor: _____

Qualification Met: (check either)

____ -Large School - Increased by 5 members or more from the previous school year

____ -Small School - Has 50% or more of the schools eligible students affiliated to the chapter

Please attach a photo of proof that your chapter has completed either of these qualifications.
