## President's Message

Hello everyone!

I want to welcome you all to the new year and wish you luck in all your chapter activities, projects, STAR Events, etc. If you had the pleasure of joining Fall Leadership Training in Huron, I hope you had an amazing time! I know I did! Hopefully, you were able to take back key information to share with your chapter. I can't wait to see all of you at region meetings and/or state meeting. Until then, I am excited to see what your chapters do in the meantime!!

With love in FCCLA,

Rylee Rinehart

2021-2022 SD FCCLA State President

Life is short, time goes fast, and days are limited. It's up to you to choose how you can make every moment meaningful. Use the 2021-2022 annual theme to challenge yourself to set goals, embrace experiences, learn new skills, take ownership, and live every day with intention because you only get one chance to "Make it Count!"

### Belle Fourche FCCLA

The Belle Fourche FCCLA chapter has had a busy start to the year! Starting off with their first meeting they discussed Fall Leadership, possible projects, dodgeball tournament, and fundraisers. One thing they are looking forward to is attending the NFC!

### Wall FCCLA

The Wall FCCLA chapter is ready to get back to normal this year post-COVID. We had our first meeting and selected our new officers and completed our program of work. We are excited to bring back some of our favorite community activities.

Our entire FCCLA chapter attended Fall Leadership Conference, six members attended Power Training and one member attended Rookie Training. During the upcoming months we are planning to provide a Community Halloween Carnival, the Christmas Store for grades K – 5. We will be helping with a few concessions stand for the school sporting events and community events. In the Spring we will bring back our most popular event the Father/Daughter Dance.

The chapter has decided to have a team for the Region Knowledge Bowl, and they have started working on their Power of One projects. The chapter members are excited to try a few new things this year and reinvigorate the spirit of FCCLA through our school and community.

### Philip FCCLA

The Philip FCCLA chapter kicked off the year with an outdoor pizza party and officer installation. Over 50 students attended the membership drive. The annual "Drive Wise to Stay Alive" event featured cupcakes in our school colors for all students and staff in grades 7th-12th. The message was: Buckle Up! Drive Drug Free! Drive Distraction Free! Our Homecoming float won first in the organization division. We checked seat belts at the Homecoming football games with "Smarties" and Dum Dums". We are promoting breast cancer awareness by hosting the annual "Dig Pink" event on October 14. Since 2011, Philip FCCLA has raised/donated over \$10,000 for breast cancer. Italian Sodas are the biggest fundraiser selling for \$4.

### Bison FCCLA

This year we started by electing officers, planning a new member meeting, and putting together our MAKE IT COUNT theme. As part of our membership campaign, the seniors visited the seventh and eighth graders to tell them about what we do, what steps would need to be taken to join, and when we would be holding our new members meeting. At this first meeting the officers introduced themselves, their office, and how they MAKE IT COUNT. We got to eat some good food and partake in games that helped everyone learn more about FCCLA. We are excited to welcome 10 new members! Some of the activities we are planning this year include decorating lockers for grades K-12 for homecoming, selling candy canes in December, participating in community service projects and competing in Star Events. As a chapter we like to stay involved in the school and community. We hope to have the best year yet!

## 2021 – 2022 LEADERSHIP PROJECTS

### CURRENT TRENDS TEAM

The SD FCCLA Current Trends Team for the 2021-2022 has chosen the topic "Social Media's Effects on Wellness". As a society, we have been influenced by the negative and positive effects of social media. The Current Trends team wants others to learn about the concerns of the internet and social media through the different dimensions of wellness; specifically, emotional, physical, intellectual, financial, and social wellness.

### NATIONAL OUTREACH TEAM

This month the National Outreach Team project is emotional wellness. Emotional Wellness includes your ability to reach out for help, manage your emotions, and feel content with your life

Our motive is to encourage members to find positive role models on the internet! Spending more time with people in person and sharing gratitude can help your emotional wellness.

Social media can lead to teens internalizing issues more than usual. Spending too much time looking at other's lives on social media can make teens feel left out, or that their own life is "boring". Following negativity on the internet can lead teens to be more susceptible to low self-esteem and depression.

We have found that 45% of adolescents report that they are online "almost constantly". This can take them away from their day-to-day life. Teens can begin to feel left out or alone when looking at other's lives through social media.

Another thing we have found is 50% of all mental illness beings by age 14 and 75% by age 24. It is important to recognize these illnesses early on and give teens access to help and provide safe spaces. Mental health plays a large role in your emotional wellness.

### PROJECT EXAMPLES AND IDEAS

- Make posters with hotlines for members to reach out to. - Challenge members to find a positive role model on social media. - Have members record 3 times they reached out to someone for help. - Have an "unplugged" chapter event. - Make "Thank You" cards for people in your school/community who have supported your chapter. -Take a few days to try different stress-management techniques. - Have members make morning/night routines or put events on a calendar. - Put up posters promoting optimism/positivity. - Challenge members to share a positive message on social media.
