President's Message

Hello Everyone!

I hope you all enjoyed the beautiful fall weather before the snow and colder weather arrived! Fall has always been my favorite season, especially Friday Night Football games and Halloween! That being said, winter has arrived, and so have the Region FCCLA Meetings! I wish everyone the best of luck in preparing professional presentations and practicing questions for Knowledge Bowl if you plan to participate in either or both events!! I cannot wait to see your projects and hear more about your chapter activities!!!

In FCCLA Spirit,
Rylee Rinehart
South Dakota FCCLA State President

Sully Buttes

The Sully Buttes FCCLA chapter has had a great start to our year. We began our year with our FCCLA Fun Night where we teamed up and played volleyball together. In September, we worked to promote positive attitudes within our school by placing inspiring messages throughout the school and creating our famous “chalk the walk”. We also worked to make the bathrooms a positive place by putting quotes on the mirrors and vinyl sayings on the stalls. For our October meeting, we teamed up with our local Youth for Christ group and had our annual “Rake and Run”. Six members attended power training at Fall Leadership Conference in Huron this year. We also had one member attend Capitol Leadership and National Fall Conference in Washington, DC. We join in with our local FFA chapter to sell fruit meat and cheese. At our November meeting, we celebrated Thanksgiving by bringing in non-perishable goods to create Thanksgiving baskets for local families in need and having our own “friends-giving” meal as a chapter. The Sully Buttes Chapter is excited for all the activities of this upcoming year!

Highmore

The Highmore FCCLA Chapter has been busy so far this year! We began the year with our officer meeting and membership drive. Some activities we have completed this year so far include Driving Safety activities during Homecoming Week, Suicide Awareness & Prevention Day during the day of conferences in November. The Be The 1 campaign donated bags, backpacks, and other items that were handed out to our 6-12th graders. 16 of our members attended the Fall Leadership Convention in Huron the first week in October. We held our Dig for a Cure Breast Cancer Awareness Fundraiser and raised \$2,925 for our local Steps for Hope Cancer Organization. We held Red Ribbon Drug Prevention Week the week before Halloween and concluded with a Halloween Spooktacular downtown with our Civic and Commerce businesses. We had an FCCLA Fun Trip to the Haunted Trail in Wessington Springs. We also made cans and goody bags for the teachers in our school that were recycled and delivered to our teachers for Parent/Teacher Conferences. We are planning National Family Week and a Dance camp for young girls. We plan to have lots of fun this year “Making it Count!”

Eureka

The Eureka FCCLA Chapter has been busy this fall with providing concession stands for the annual Eureka Tractor Pull and the Eureka Kuchen Football Jamboree, plus a couple elementary basketball games. We prepare for, purchased, and wrapped Christmas gifts for the local Toys for Tots and organized a School wide Christmas Food Challenge for the Eureka Food Pantry. The members along with the students are looking forward to the challenge. It will be preschool to 6th grade against the 7th – 12th grade students.

Faulkton

Three junior FCCLA members; Gabby Kast, Ashly Senn, and Hannah Cunningham teamed up with Faulkton volleyball, the Faulkton Area Medical Center, and Dacotah Bank to hold the annual Dig Pink Event. The three members challenged community members to pledge for the team during the match. Over \$700 was raised for cancer research. Faulkton FCCLA members Anna Aesoph and Addison Melius challenged their local community to “BE BOLD, WEAR GOLD.” Over fifteen area businesses supported their efforts and over 400 t-shirts were sold. The dual took their fundraising efforts for childhood cancer awareness to the next level during a recent Sanford Children's Hospital campaign where they were able to secure a triple match of their funds. Great work to this team and their donation of \$3,000 to support kids fighting cancer in South Dakota.

Life is short, time goes fast, and days are limited. It's up to you to choose how you can make every moment meaningful. Use the 2021-2022 annual theme to challenge yourself to set goals, embrace experiences, learn new skills, take ownership, and live every day with intention because you only get one chance to “Make it Count!”

Miller

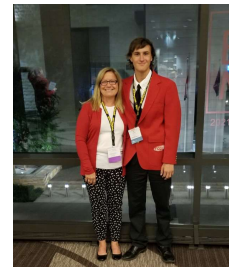

Miller FCCLA consists of about 35 students and our wonderful adviser, Miss Shae Knox. Last year Taya Pawlowski was elected Region II President. We also had 2 quiz bowl teams and a professional presentation that advanced to state. At State Kaia Heilman was Vice President of Membership and Taya Pawlowski was elected Vice President of Programs. Our Professional Presentation received a silver, our team that did Focus on Children received a gold top superior, and we had a member on National Outreach. Miller chapter was also chosen as the most golden at the state level. Miss Knox and Taya Pawlowski were able to travel to Nashville, Tennessee for National Leadership Conference. The Miller Chapter has been very busy this year with many new members, fundraisers, and starting projects for regions and state.

Gettysburg

The Gettysburg FCCLA Chapter has been busy delivering Meals on Wheels in our community three days a week this year. We also helped remove all the wood chips from our playground to put in new rubber ones. We replaced these this year because of how many injuries the wood chips were causing. We hope the rubber chips help minimize injuries for our younger students, so far, the kids love them! Our officers also collaborated with FFA officers in the event of Adopt a Highway. We picked a Sunday morning, and a highway to help clean trash up along the highway and give back to our community! Gettysburg Middle School was recognized and nominated for Exemplary High Performing Schools National Blue-Ribbon School for 2021 by U. S. Secretary of Education, Miguel Cardona. Our chapter officers attended a luncheon with the Secretary of Education, Tiffany Sanderson. We got to tell her what FCCLA was about, events we do, how it helps younger students, and how FCCLA has impacted our officers throughout the years as well.
